Sir,

Sub: ALLOWANCE - Daily allowance - arrears - Common Town Planning and Building Inspector - sanction of - requested -

I beg to approach you with the following for favour of sympathetic consideration and early orders.

I was appointed on 5-1-1952 as the Common Town Planning and Building Inspector for the three Class I Panchayats in South Kanara District, viz., Kasaragod, Karkal and Coondapur, Kasaragod being my headquarters. Karkal is situated 63 miles away from Kasaragod and Coondapur is situated 57 miles away from Karkal and 120 miles away from Kasaragod. The minimum period of my halt in each of the three panchayats in a month is in the ratio of 4:3:3.

According to this arrangement, though I was expected to tour from one corner of the District to the other corner, no mention of the Travelling Allowance to which I am entitled to under the rules, was made in the order of the Inspector of Municipal Councils and Local Boards, sanctioning the post of the Common Town Planning and Building Inspector.

On my joining duty at Kasaragod on 5-1-1952. the Executive Officer, Kasaragod Panchayat made a reference to the Inspector of Local Boards, soliciting instructions

(P.T.O.)

and orders as to whether the Common Town planning and Building Inspector is eligible for the payment of the Travelling Allowance for the journeys performed by him between the panchayats. However, I was being paid only mileages by the Executive Officer, Kasaragod Panchayat for the journeys performed by me in anticipation of the sanction of the Inspector, withholding the daily allowances claimed by me. The Inspector of Local Boards, Madras, was pleased to order in his L.Dis.2314-52 dated 26-9-53 (copy enclosed) that the Building Inspector is eligible for the Travelling Allowance for journeys from one panchayat to another.

On receipt of the above order from the Inspector, I submitted my Travelling Allowance bills as usual claiming both mileage and daily allowance as per M.T.A. Rules. But the Executive Officer withheld the payment of the daily allowance on the ground that the Inspector's order was not specific regarding the payment of Daily Allowance and made a reference to the Inspector of Local Boards for clarification of the above points. The Inspector of Local Boards, Madras, in his Memorandum L.Dis.No. 8245-54 dated 7-5-54 (copy enclosed) ordered that as the period of my halts in three panchayats, Kasaragod, Karkal and Coondapur is fixed in the ratio of 4:3:3 in each month, each panchayat may be taken to be the Building Inspector's temporary headquarters, in which case he is not eligible for Daily Allowance for the number of days he stays at Karkal and Coondapur.

Immediately on the receipt of the above memo of the Inspector I submitted a petition dated 25-5-54 to the Inspector of Local Boards (Copy enclosed) for favour of reconsideration of the orders passed. The Inspector of Local Boards, Madras was pleased to modify his previous order L.Dis.No. 8245-54 dated 7-5-1954 in his D.Dis.No. 25652-54 dated 25-8-54 (copy enclosed) and ordered the payment of the Daily allowance up to 10 days in eahh of the two panchayats at Karkal and Coondapur.

On receipt of the above order of the Inspector, I submitted my Travelling Allowance Bill for the month of August, 1954 wherein I had claimed the Daily Allowance also. The Daily Allowance claimed in this bill also was withheld by the Executive Officer, Kasaragod Panchayat on the ground that I am eligible for the Daily allowance only from the date of receipt of the above order of the Inspector of Local Boards, Madras.

Then I submitted a petition dated 4-10-54 to the Inspector of Local Boards, requesting to sanction the arrears of Daily Allowance (copy enclosed). My request was turned down by the Inspector of Local Boards in his order L.Dis.No. 56933-54 dated 30-12-54 (copy enclosed). On receipt of the above order of the Inspector, I submitted a further petition dated 5-2-55 (copy enclosed) to the Inspector of Local Boards for favour of reconsideration of the orders regarding the payment of arrear Daily Allowance. This was also turned down by the Inspector of Local Boards, Madras in his order L.Dis.No. 7951-55 dated 11-3-55 (copy enclosed).

In this connection, I beg to submit that I am fully entitled for the payment of Daily Allowances for the period of my stay up to 10 days in each of my temporary head-quarters under the M.T.A. Rules and I am deprived of this benefit though I was subject to incur additional expenses at my temporary head-quarters. I may also submit in this connection that it is quite evident from the above order of the Inspector that I am eleigible for the Daily Allowance for my stays at my temporary head-quarters and that it is only on account of the delay in the issue of the orders that I am deprived of the benefits to which I am legitimately entitled.

Had the orders been received earlier, I would have drawn my Daily Allowances with retrospective effect along with the mileages and therefore, I submit that I have been put to very great loss for no fault on my part.

I, therefore, humbly pray that the Secretary to the Goverhment may be pleased to take into consideration, of the above grievances and pass necessary orders sanctioning the drawal of the arrear Daily Allowance with retrospective effect ~~of~~ from my joing duty as the Common Town Planning and Building Inspector.

yours faithfully,
K Ramanadas

Humble petition of Sri. K. Ramananda Rao, Common Town Planning and Building Inspector, Panchayats of Coondapur, Kasaragod & Karkal, S.K

Respected Sir,

The petitioner is the Common Town Planning and Building Inspector appointed to work for the panchayats of Kasaragod Karkal and Coondapur, Kasaragod being the head-quarters.

The petitioner, at the very outset, submits that he has to tour from one corner of the South Kanara District to another corner, namely from Kasaragod to Coondapur - a distance about 115 miles - and he is given a mileage of about Rs. 24/- for his to and fro journeys from Kasaragod, the headquarters. In accordance with Rule 44 of the M.T.A. Rules contained in the Madras Manual of Special Pay and Allowances, the petitioner is entitled to have Daily Allowances for his halts at Karkal and Coondapur which are not his headquarters. The petitioner was appointed by the Executive Officer, Kasaragod Panchayat and under orders of this officer, that he is going to the other panchayats and hence Kasaragod is considered to be the petitioner's head-quarters and in accordance with the above Rule the petitioner is entitled to Daily Allowance for his halts at Karkal and Coondapur. As per the definition of Daily Allowance in the M.T.A. Rules contained in the Madras Manual of Special Pay and Allowances, it is very clear that when a public servant moves from his headquarters he will incur additional expenditure and the Daily allowances are provided for this purpose. The petitioner submits that he can fix up his family in one place only, namely at

(P.T.O.)

Kasaragod, and that when he goes to Karkal and Coondapur, he will incur additional expenditure and as such he prays that he may be given daily allowance for his halts there. If the Inspector of Municipal Councils and Local Boards feels that the expenditure for the petitioner's Travelling Allowance comes too high, he is requested to consider his above mentioned grievances and fix a suitable Fixed Travelling Allowance.

The Inspector of Municipal Councils and Local Boards, in his memorandum L.Dis.No. 8245-54 dated 7-5-54 issued to the Executive Officer, Kasaragod Panchayat is of the opinion that Karkal and Coondapur may be taken as the petitioner's temporary head-quarters. And even in this case as per Rule 44 of the M.T.A.Rules contained in the said Manual the petitioner is entitled to Daily Allowance for his halts for the first ten days in these temporary head-quarters.

Hence the petitioner requests the Inspector of Municipal Councils and Local Boards to reconsider his orders contained in the above memorandum and pass fresh favourable orders in the matter.

Yours faithfully,

Sd. K. Ramananda Rao,
Town Planning and Building Inspector.

The Executive Officer,

Sir,

I beg to submit the following for favour of your kind consideration and early orders thereof.

In you D.Dis.No.25652/54 dated 25-8-1954 I have been permitted to draw mileage at the rate of Re.0-1-9 per mile and daily allowance up to ten days in each of the two panchayats at Karkal and Coondapur. I also submit that this order was issued in modification of your L.Dis.No.8245-54 dated 7-5-'54 (copy enclosed for favour of ready reference.)

A copy of your D.Dis.25652/54 dated 25-8-1954 (copy enclosed for favour of ready reference), was received by me through the Executive Officer, Kasaragod Panchayat on 3-9-1954 and I had submitted my T.A. bills for August 54 to the Executive Officer, Kasaragod Panchayat claiming mileages and daily allowances as permitted in your order cited above. But the Executive Officer has returned my T.A.Bill saying that I am eligible to draw dialy allowance only from the date of receipt of your order cited above.

In this connection I most humbly submit that if the Executive Officer's contention is to be accepted, I am put to a great hardship and loss. I also beg to point out that the order D.Dis.25652/54 dated 25-8-1954 was issued in modification of the orders contained in your L.Dis.8245/54 dated 7-5-54 and I must without ambiguity be eligible to draw dialy allowance formy halts at Karkal and Coondapur from 7-5-'54, the date of the order that was modified.

14

Further more I submit the following also for your consideration. I was appointed on 5-1-52 and from 2-7-52 on wards, I was almost regualrly going to Karkal and Coondapoor and I must necessarily get my Travelling Allowance including daily allowance for the tour performed by me from 2-7-52. The order sanctioning the post of common Town Planning and Building Inspector, did not specify any points regarding the T.A. eligible for the incumbent and the orders regarding the T.A. were issued only on 26-9-53 in your L.Dis.2314/52 dated 26-9-1953 (copy enclosed). This does not necessarily mean that I was eligible for T.A. only from 26-9-1953, i.e., from the date of your order, and on this point the Executive Officer, Kasaragod Panchayat seems to have agreed with me and I was allowed mileage for the journeys performed by me even prior to this order (L.Dis.2314/52 dated 26-9-1953., The present order D.Dis.25652/54 dated 25-8-54 was issued in clarification of the previous ofders L.Dis.2314/52 dated 26-9-1953 and L.Dis.8245/54 dated 7-5-54 and as such I ~~was~~ am also eligible for the benefit of the daily allowance from the beginning, that is from 2-7-52. The last order was a clarification to the previous ones and I am rightly eligible to draw the daily allowance now permitted from the beginning itself.

I earnestly submit that if the clarifications on the previous orders are to be taken to have effect from the dated of receipt only, as contended by the Executive Officer, Kasaragod Panchayat, I am put to heavy loss. In view of the fact that no instructions ~~regarding~~ regarding my eligibility for T.A.were ~~not~~ issued at the time of creation of the post, I submit that it is no fault of mine to disallow me the Daily Allowance for which I am eligible under rules for the period from 2-7-52 to 30-8-54.

I am ~~enclosing~~ submitting herewith a T.A. Bill for the arrear Daily Allowances due to me from 2-7-52 to 30-8-54 for favour of your kind ~~attention~~ information.

Sir,

I beg to submit that in your Proceedings L.Dis.No. 56933/54 dated 30-12-1954 (copy enclosed for favour of ready reference) I have been informed that my request to allow daily allowance from 2-7-52 to 30-8-54 as represented in my petition dated 4-10-1954 (copy enclosed) cannot be sanctioned.

While submitting this appeal for a reconsideration of the orders now passed I beg to submit that while creating the post of the common Town planning and Building Inspector for the Panchayats of Kasaragod, Karkal and Coondapur, no orders regarding my eligibility for travelling allowance were issued.

On 25-5-54 I represented your kind self (copy of the petition enclosed) to allow me daily allowance for my halts at Karkal and Coondapur as contemplated in rule 44 of the M.T.A. Rules.

In your proceedings D.Dis.No. 25652/54 dated 25-8-54 (copy enclosed) you were pleased to permit me to draw daily allowance up to ten days for halts in the Panchayats of Karkal and Coondapur and also to draw mileage for the journeys.

The above referred order was issued in modification of the orders passed in memo L.Dis.No. 8245/54 dt. 7.5.54 (copy enclosed) in which the Executive Officer, Panchayat, Kasaragod was informed that the Common Town Planning and Building Inspector was not eligible for daily allowance for the number of days he stayed at Karkala and Coondapur.

I felt that injustice was done to me by passing the orders referred to supra, and hence I had to represent yourkind self to allow me mileage as permitted in rule 44 of the M.T.A, Rules and you were pleased to sanction the same in your proceedings D.Dis.25652/54 dated 25-8-54 and this order was passed in modification of the one L.Dis.8245/54 dated 7-5-54.

I may kindly be permitted to pointout that the orders passed in L.Dis.8245/54 dated 7-5-54 stand cancelled when the fresh orders were issued in your proceedings D.Dis.25652/54 dated 25-8-54. The former order was issued on a clarification sought for by the Executive Officer, Kasaragod Panchayat as to whether I am eligible for daily allowance for my halts at Karkal and Coondapur.

The post of the Common Town Planning and Building Inspector was created as in the year 1951 and I was appointed on 5-1-52 and I had taken up the touring work on 2-7-52 under the orders of the Executive Officer, Kasaragod Panchayat.

As

18

As the mode of travelling allowance admissible to the Common Town Planning and Building Inspector was not clarified, the Executive Officer, Kasaragod Panchayat sought clarification and the first order that is L.Dis.8245/54 dated 7-5-54 was passed by you. On representing again the original orders were modified, which mean more or less cancelled, and fresh orders passed, which was taken to be the final one in the matter.

I have to add that a public servant while away from his headquarters has to incur additional expenditure and hence daily allowance is provided in M.T.A. Rules as already represented ~~expenditure ever since my tour started that~~) in my petition dated 25-5-54. I have been incurring additional expenditure ever since my tour started, that is, from 2-7-52 and hence I am rightly eligible to draw the daily allowance from 2-7-52 itself as contemplated in the M.T.A. Rules 44, and if I am not given the benefit of this rule, I beg to submit that I will be put to a great loss.

Even when no clarification of the admissibility of my travelling allowance was given till August 1954, I used to claim daily allowance as well as mileage in my T.A.Bills as per M.T.A. Rules and the Exective Officer had disallowed all the daily allowance claimed and allowed me only mileage though he had no specific instructions from the Inspector of Municipal Councils and Local Boards till 7-5-54. I also submit that I find no reason to justify the action of the Executive Officer to disallow the daily allowance claimed by me ever since 1952 as the claim was within the scope of the rules framed under M.T.A. Rules as agreed in your D.Dis.25652/54 dated 25-8-54.

The question of my T.A. was under correspondence till ~~25-8-54~~ 25-8-54 on which date the matter was finally settled after modifying all the previous orders passed in the matter; from which it is clearly evident that my claim is admitted from the beginning itself though the order was issued on 25-8-54.

This was a matter pending over two years and all the while I had been deprived of the benefit of the M.T.A. Rules 44 and I request your kind self to note that it will be purely injustice to my part, if your kind self is to state that my claim has to be admitted from 25-8-54 only.

I therefore once again request you to kindly reconsider the matter and permit me to draw the daily allowance for my tour performed ~~them~~ during the months from July 1952 to August 1954. The bill is enclosed for favour of your kind information and necessary action.

Yours faithfully,
Sd. K. Ramananda Rao.
